Re: Your Public Records Act Request

Dear Mr. Sinyangwe:

I am writing in response to your email sent June 5, 2019 in which you made a request for documents pursuant to the California Public Records Act (Gov't. Code § 6250 *et seq.*).

We require additional time to consider your request and to search our records. Pursuant to Gov't. Code § 6253(c)(1), this additional time is necessary in order "to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request."

We anticipate that we shall be able to respond to your Public Records Act request with a 14-day extension from the date upon which the response would otherwise have been due. Accordingly, the original due date being June 17, 2019, a response is expected to be sent to you pursuant to this extension on or before July 1, 2019. This extension is made in order to allow the time necessary for proper review analysis, and processing of your request.

Sincerely,

DAVID O. LIVINGSTON, Sheriff
